

Bristol DX

Model 8763

The best looking cast iron gas stove available today.

Features

Style and Quality

Beautiful designs, careful craftsmanship and reliable technology. The quality of our products is displayed in the intricate details of the cast iron and the warm flickering glow of the fire.

Fully loaded convenience

Our DX gas stoves include a built-in blower and thermostatic remote control. Adjust the fire, the room temperature, and the blower all from the comfort of your couch.

True efficiency

The Bristol includes a cast iron heat exchanger and a built-in blower to circulate more heat into your home.
