Features

Cast Iron Detail

The Craftsbury has a classic cast iron style. It is constructed from high-quality cast iron parts and finished in either porcelain enamel or traditional black stove paint.

Finished From Every Angle

The Shelburne is designed to be seen from all sides. With a fully detailed backside, this cast iron stove looks great in the center of a room.

TruHybrid™ + Soapstone

Lined with soapstone blocks and using our TruHybrid technology, the Shelburne offers long-lasting and efficient heat.

Constantly Innovating

Our best-selling medium-size classic cast iron stove, the Shelburne, is currently being updated with our TruHybrid™ technology. We will be excited to release this stove when it's ready for your home.
